Betreff: Survey for Grant Applicants of Swiss Cancer League and Swiss Cancer Research Foundation

Textkörper: Dear [LastName]

Within the last 5 years, you applied for a grant from the Swiss Cancer League or the Swiss Cancer Research Foundation. Currently, we are evaluating our activities in this area. We would be very grateful if you could complete the following survey on the quality of our grant application and review process as well as our services:

<https://de.surveymonkey.com/s.aspx>

The survey takes no more than 5-10 minutes. It can be completed on a secure website (SSL-encrypted). All information provided will be kept confidential and only used for this evaluation.

Thank you very much for helping us improve our services.

With best wishes

Scientific Office

Swiss Cancer League / Swiss Cancer Research

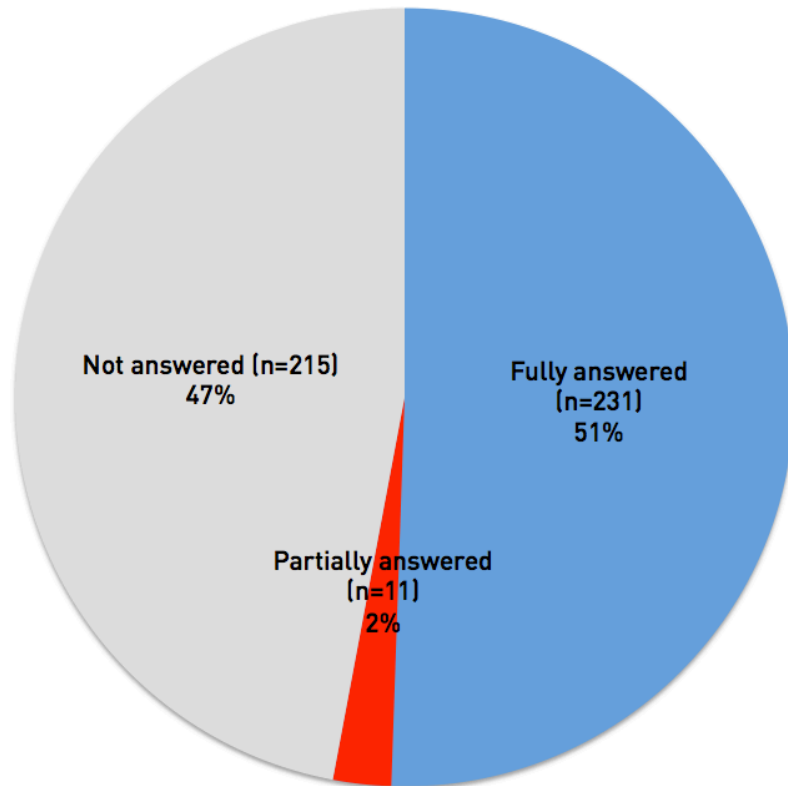

Please note: If you do not wish to receive further emails from us, please click the link below, and you will be automatically removed from our mailing list.

Return on Survey

(11.02.2013 - 11.03.2013)

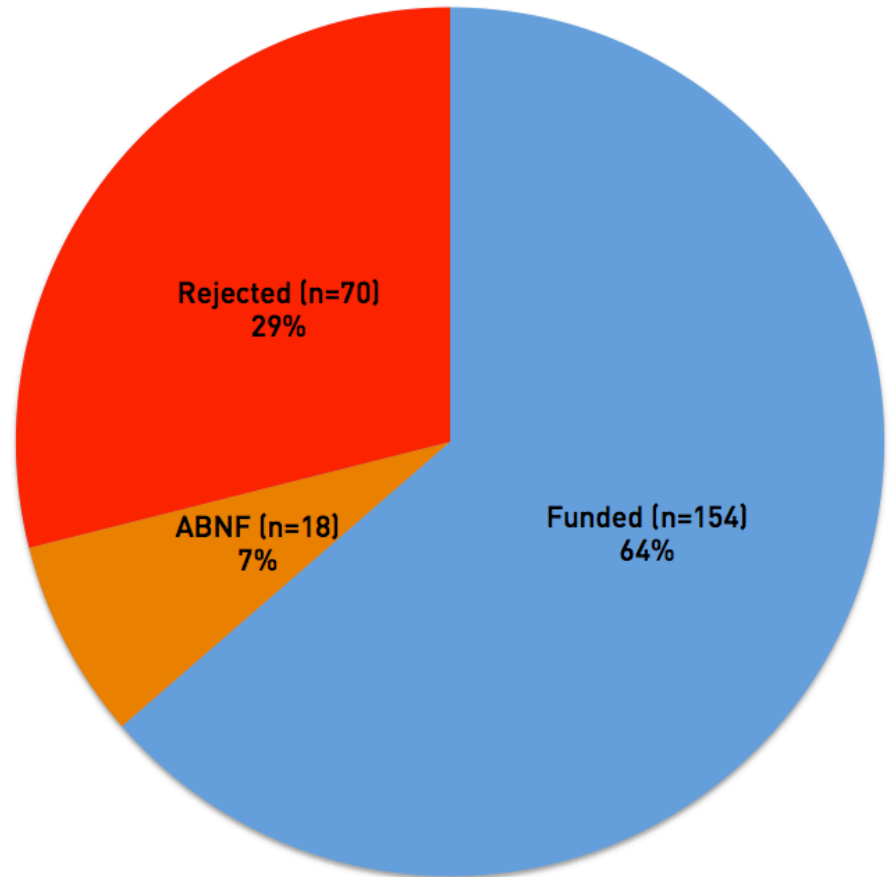

Answer Return According to Grant Approval

Survey Questions

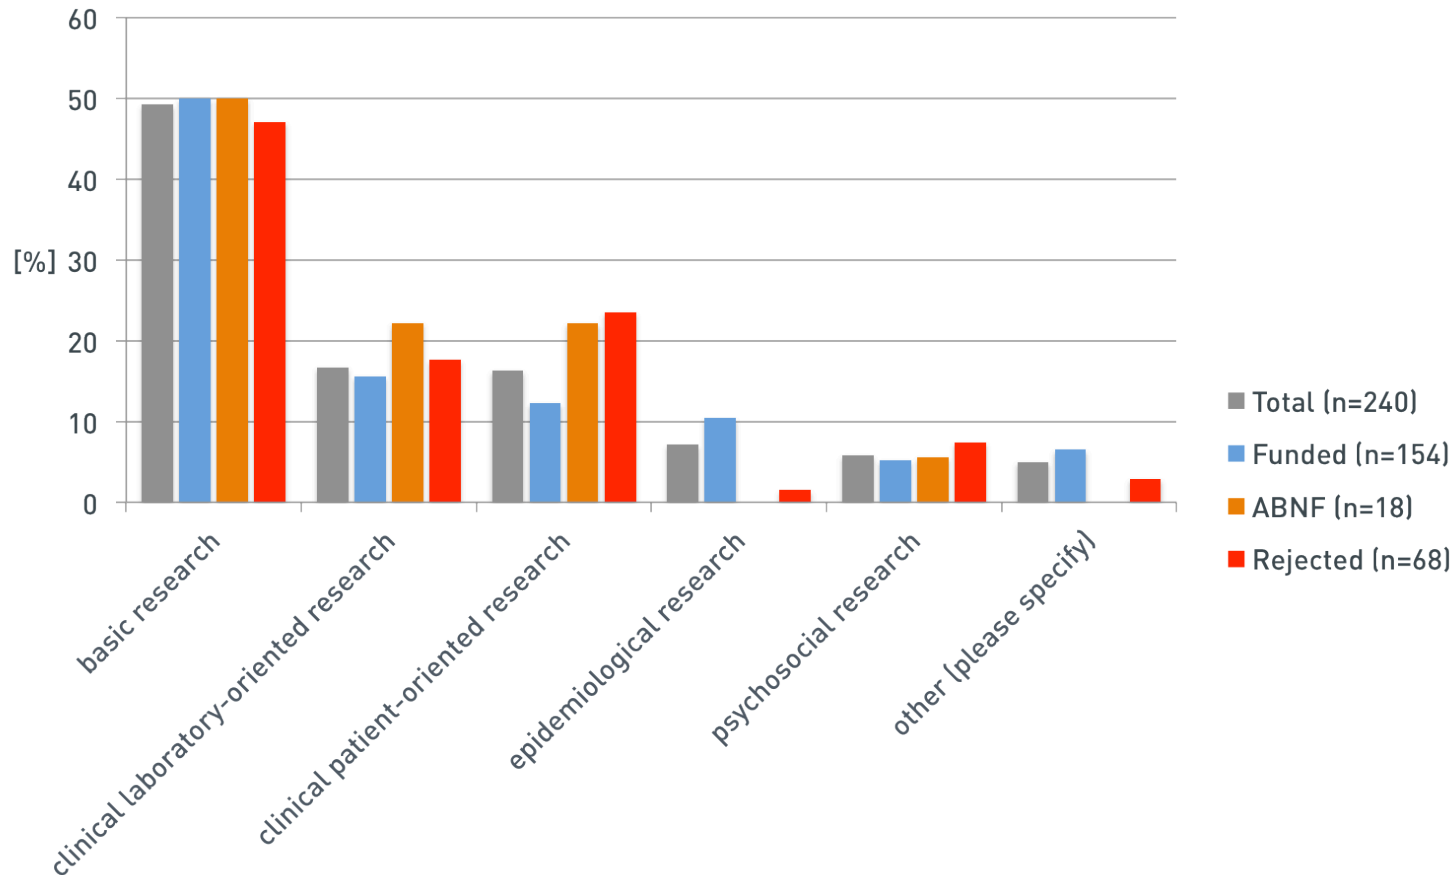

1. Grant Approval Success

You have applied to the Swiss Cancer League or to the Swiss Cancer Research foundation for grant funding during the last five years. Please indicate the outcome of your proposal(s).

2. Research Field

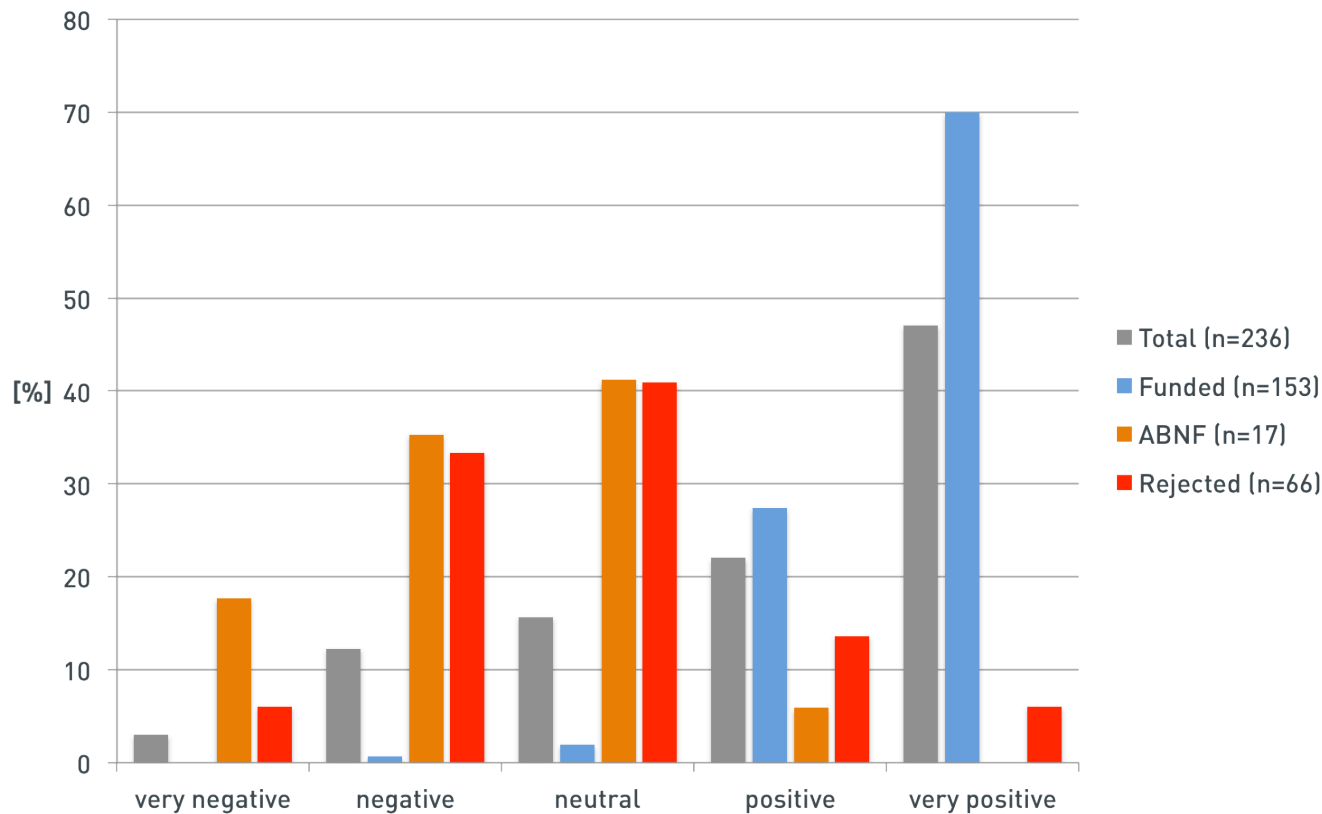

In which cancer research field are you working?

3. Cancer Research Support

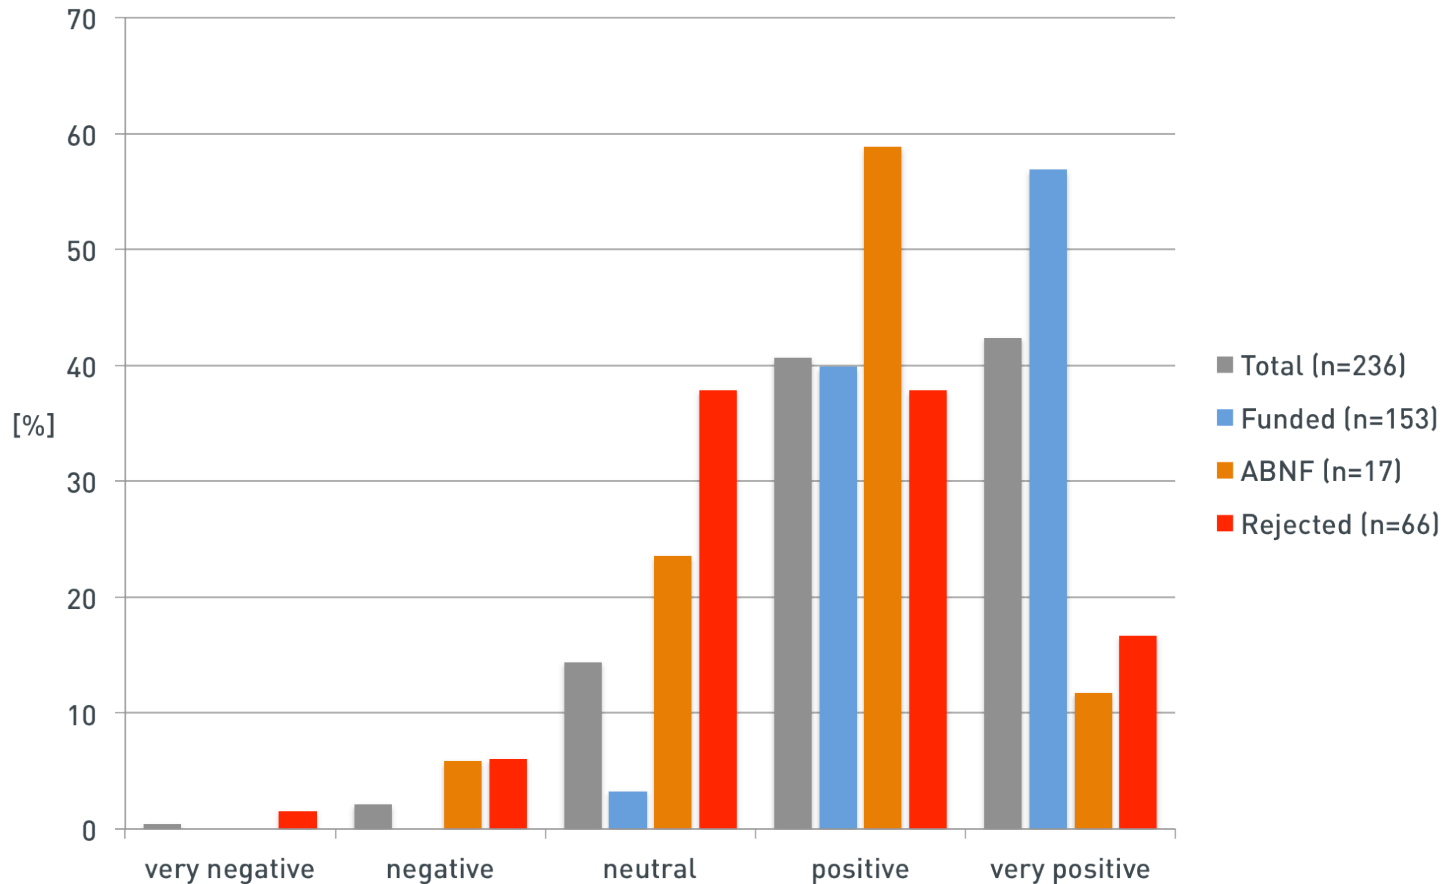

Please rate the impact of the cancer research support by the Swiss Cancer League, the Swiss Cancer Research foundation and Oncosuisse:

Impact on your own research

3. Cancer Research Support

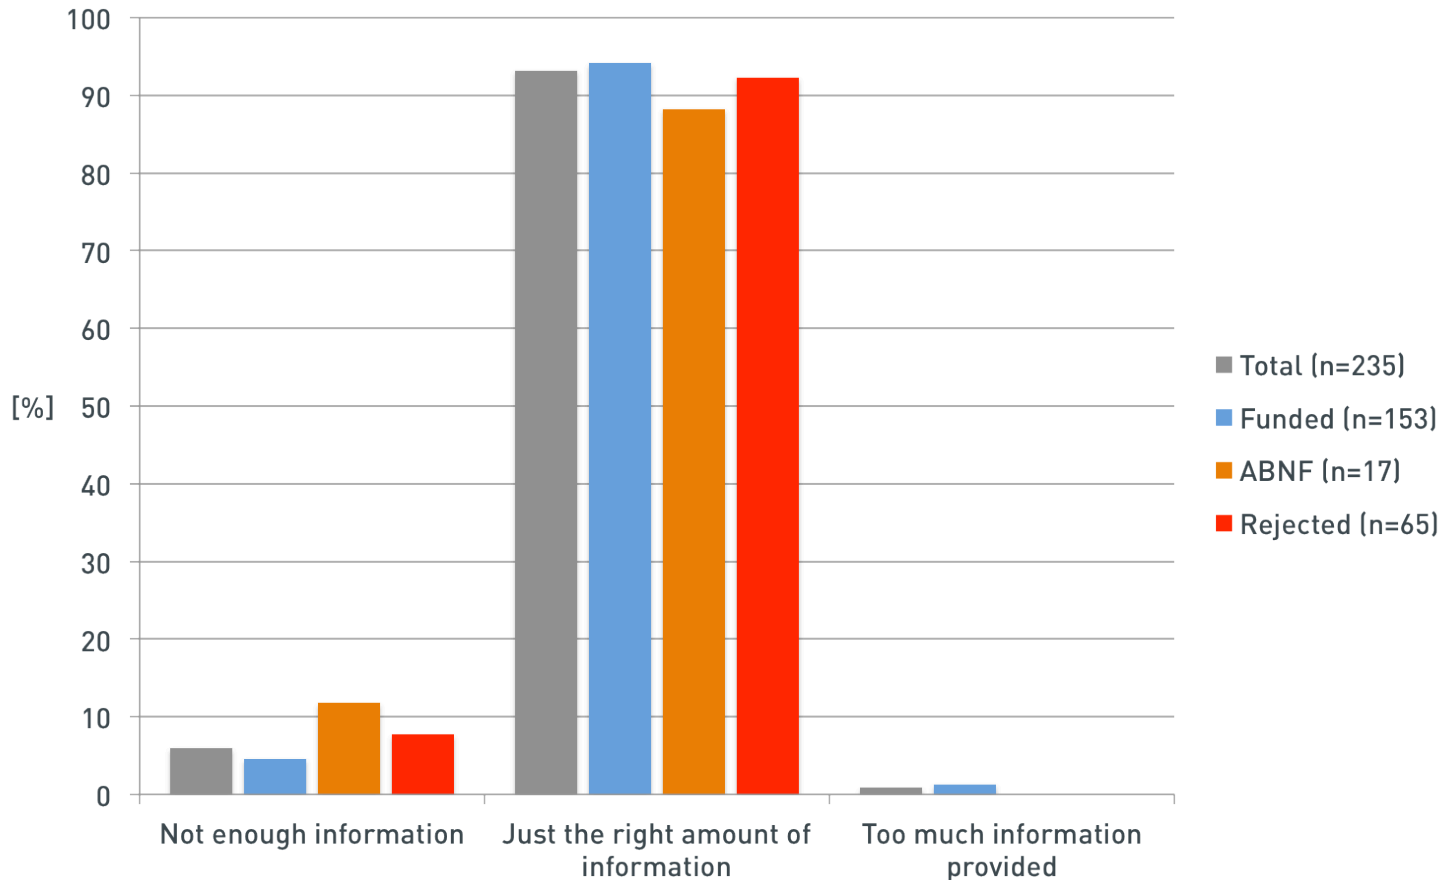

Impact on cancer research in Switzerland

4. Grant Application Process

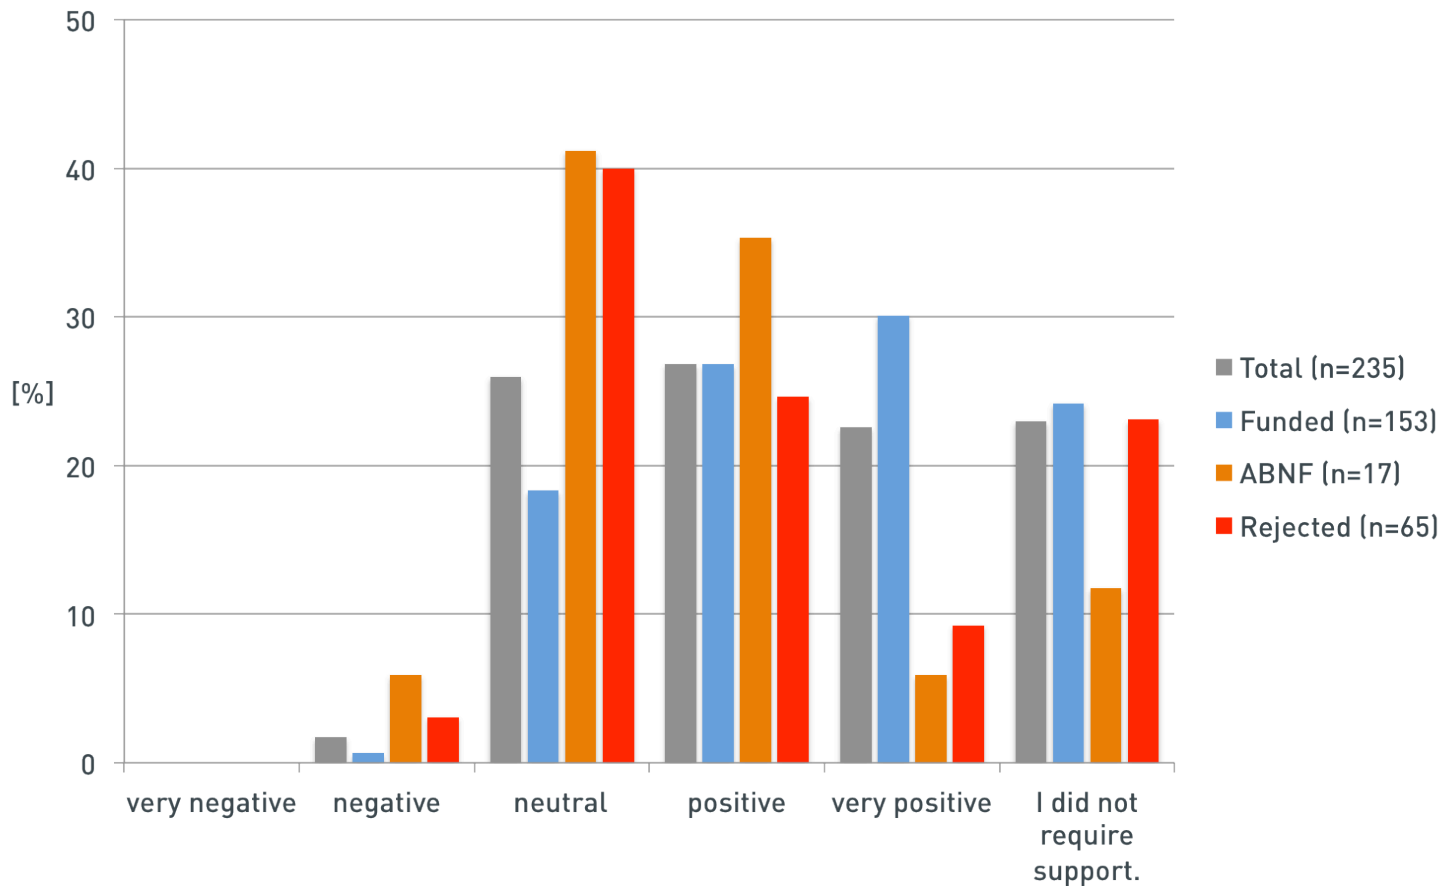

Please rate the following aspects of the grant application process:

Availability of information required for application submission

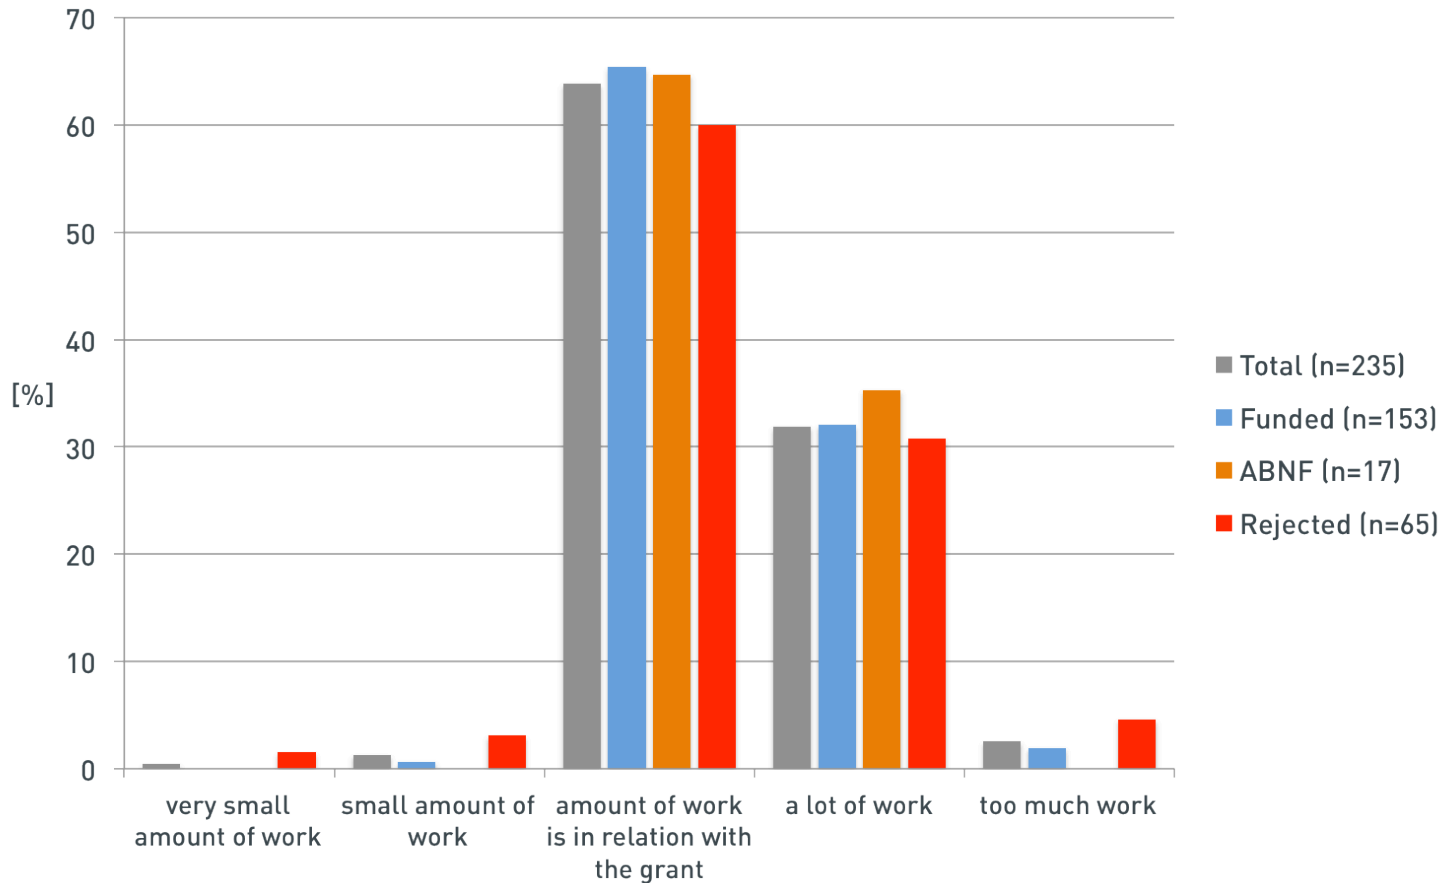

4. Grant Application Process

Support experience from the Scientific Office during the application process

4. Grant Application Process

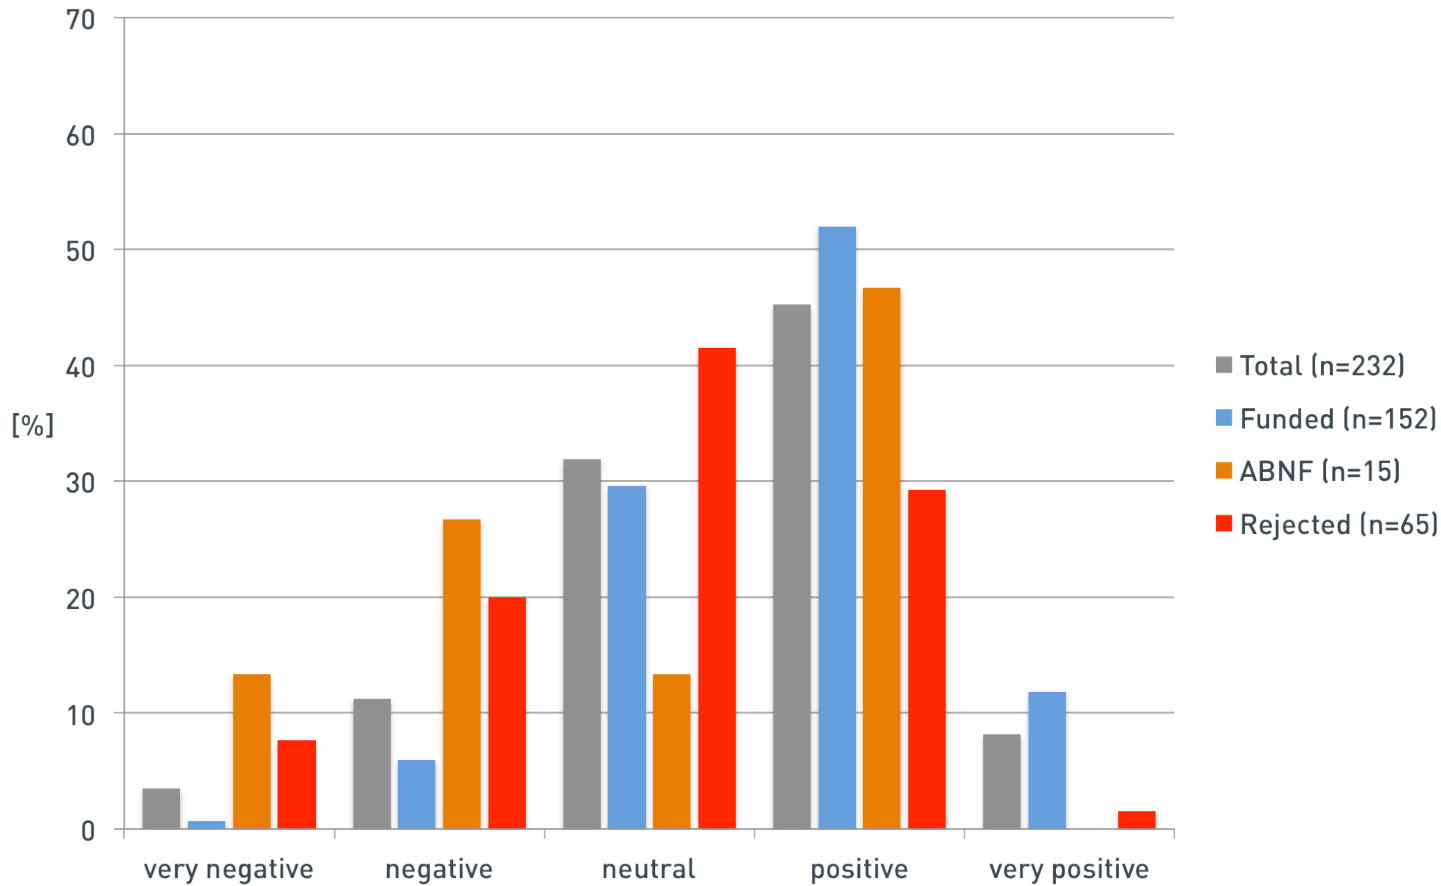

Amount of work required invested in the application process

5. Review Process

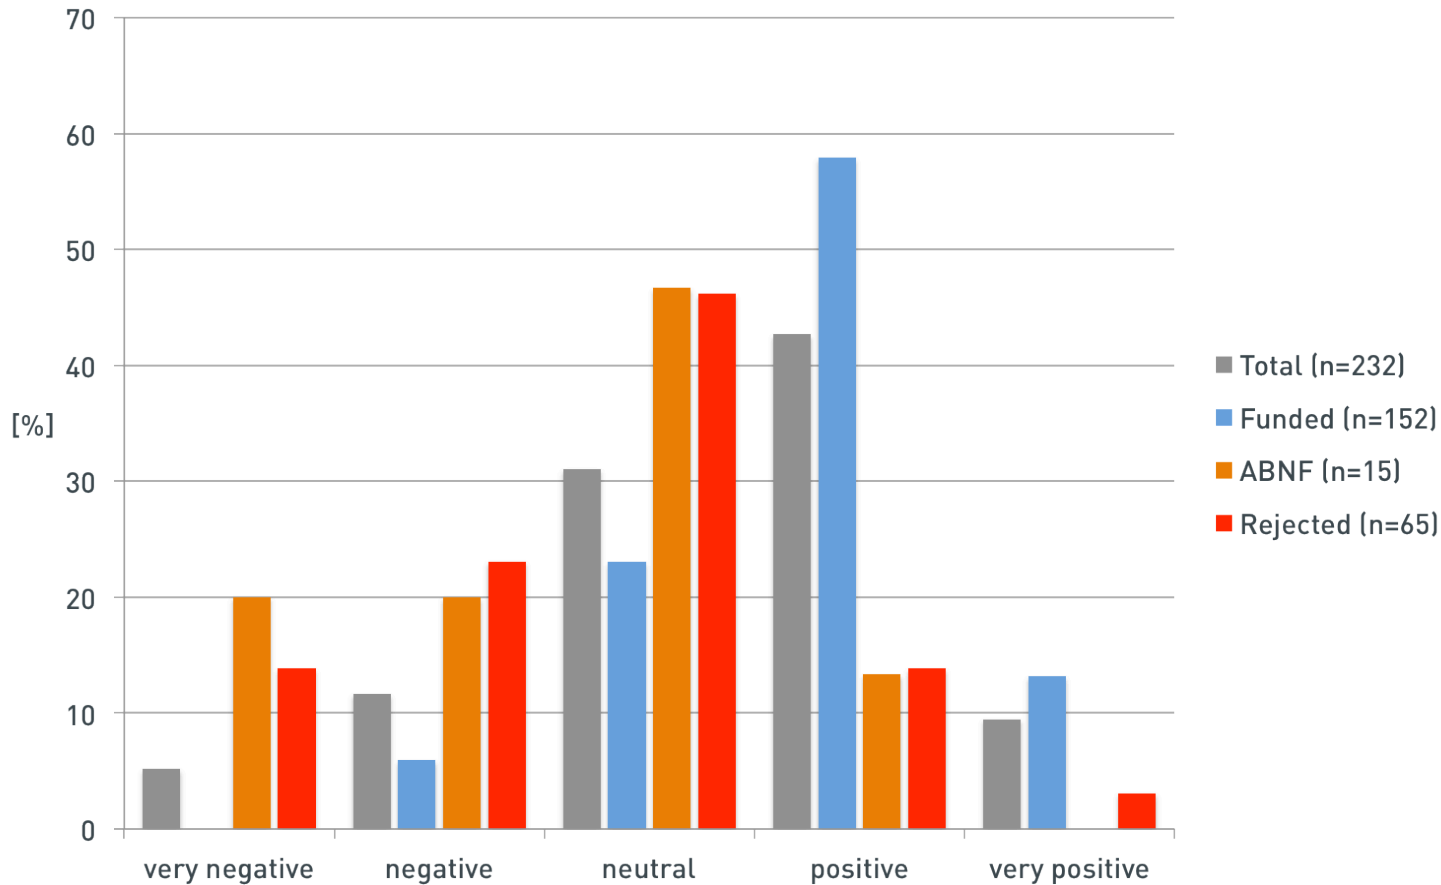

Please rate the following aspects of the review process:

Transparency of the review process

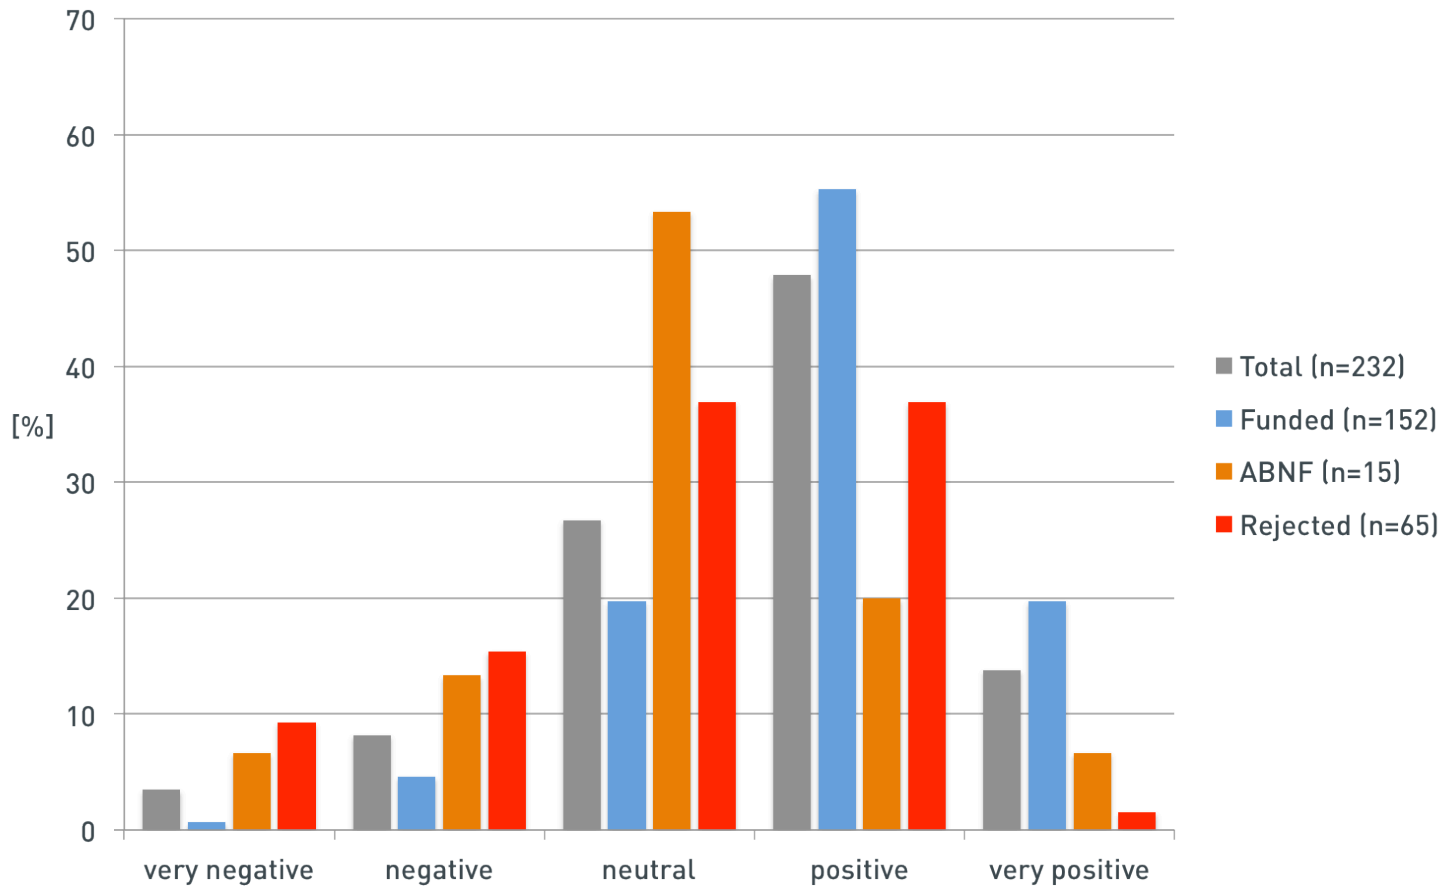

5. Review Process

Fairness of the review process

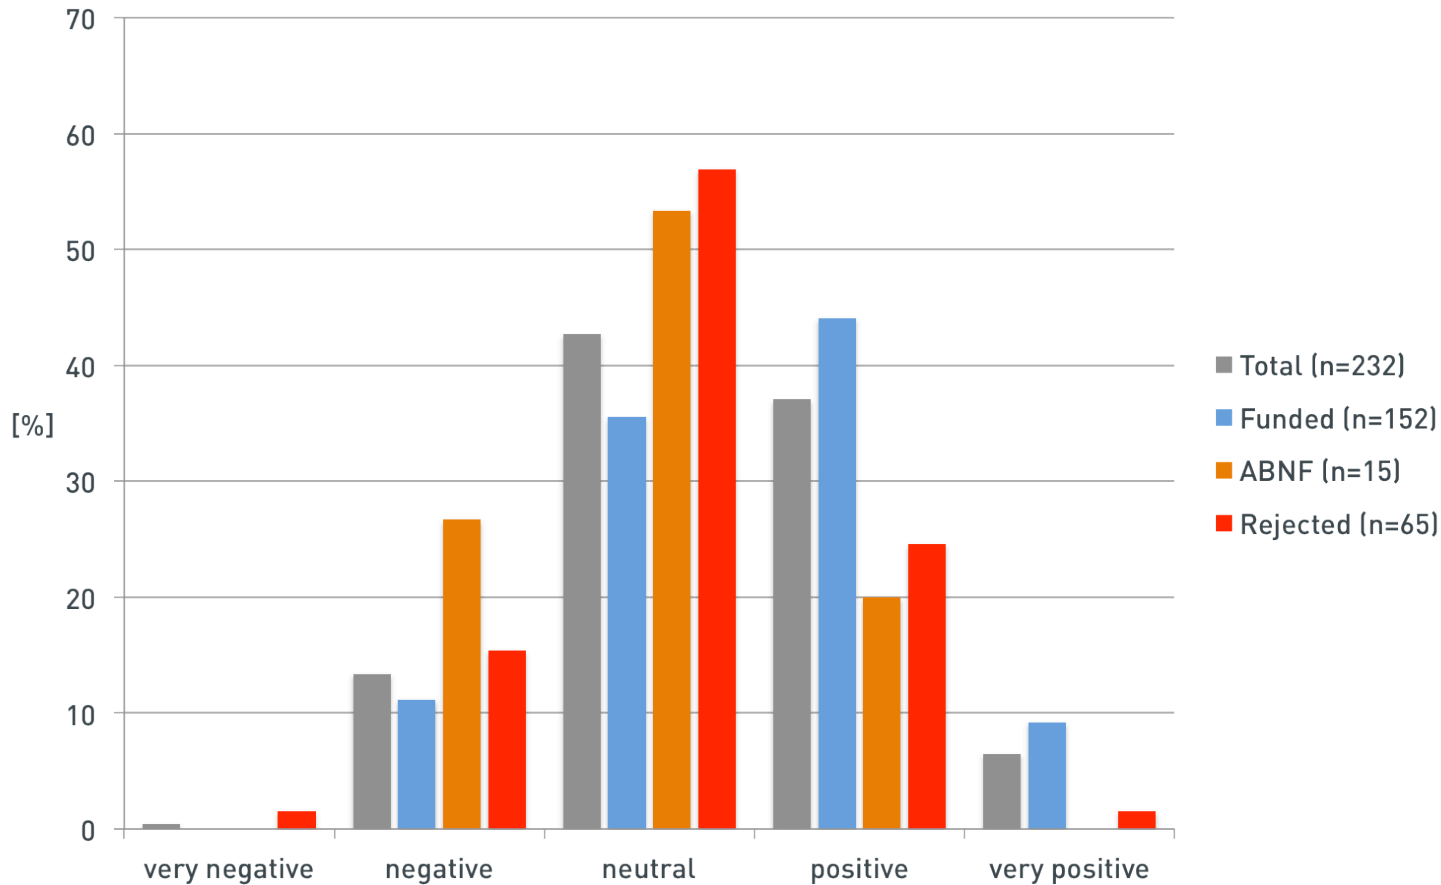

5. Review Process

Quality of the review process

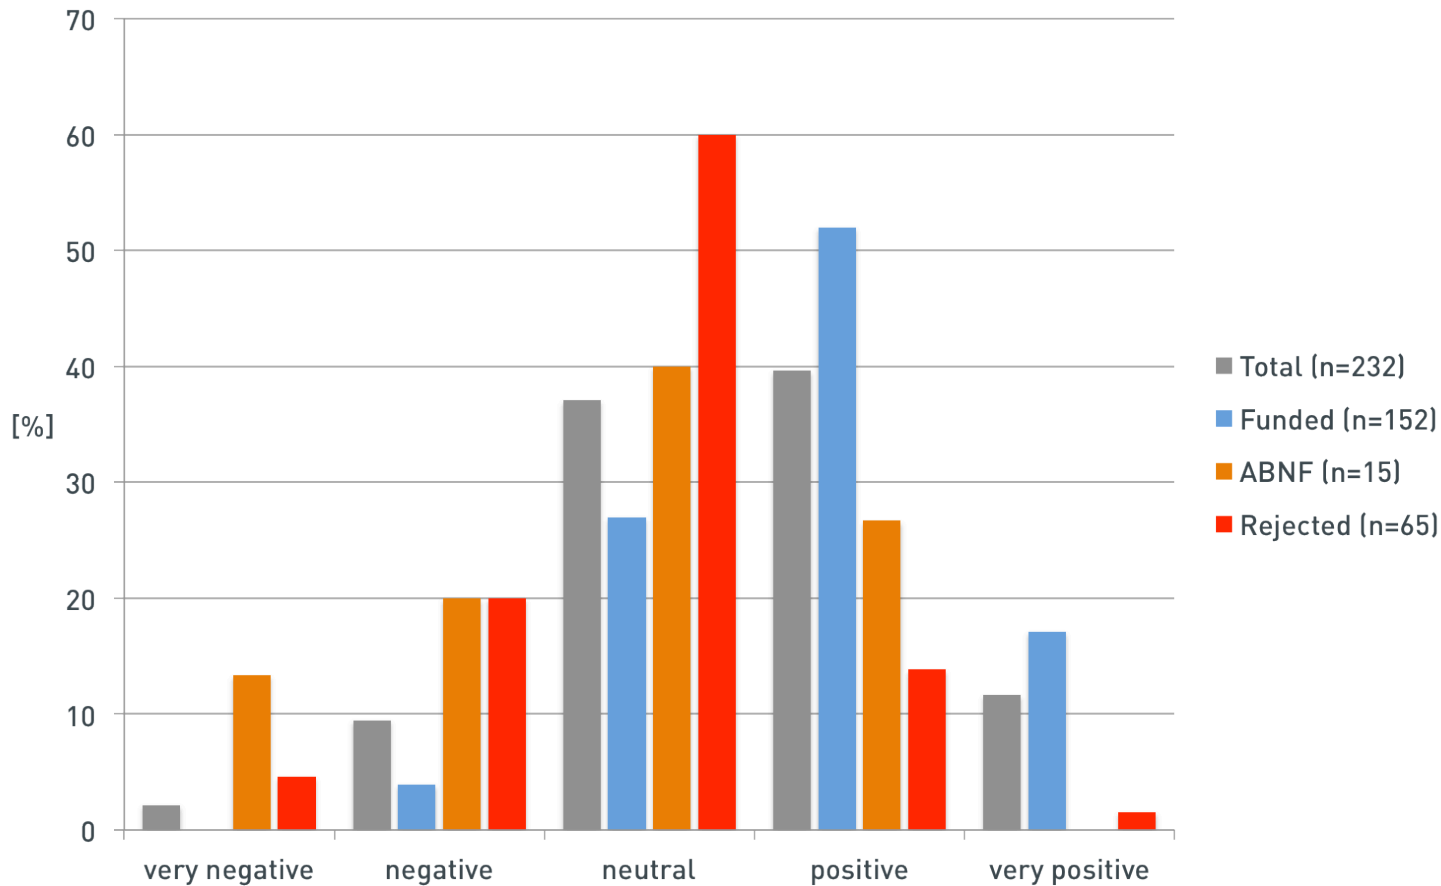

5. Review Process

Speed of the review process

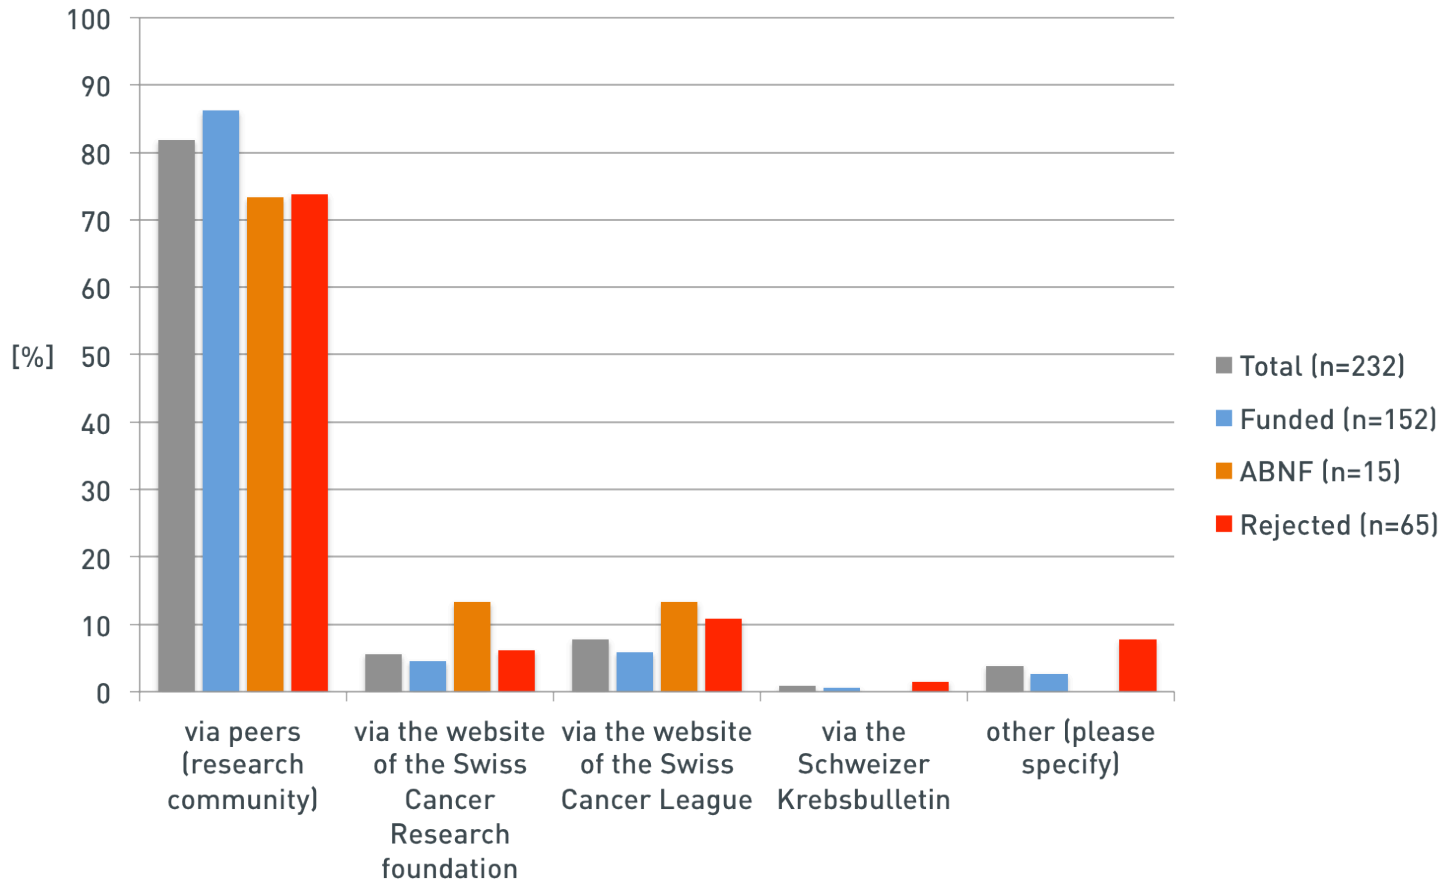

5. Review Process

Quality of the decision letter

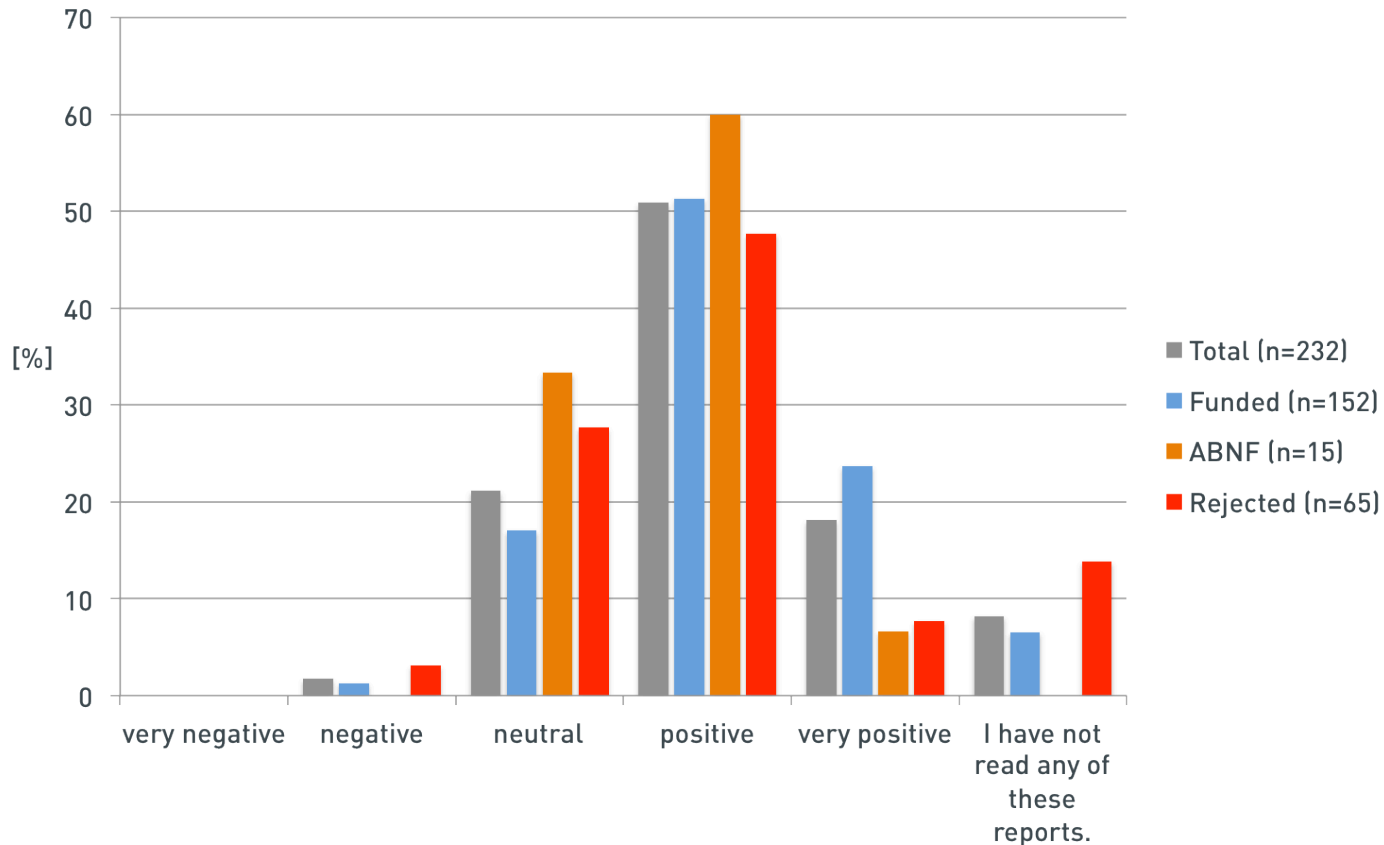

6. How Did You First Hear About Us

How did you first hear about our cancer research support activities?

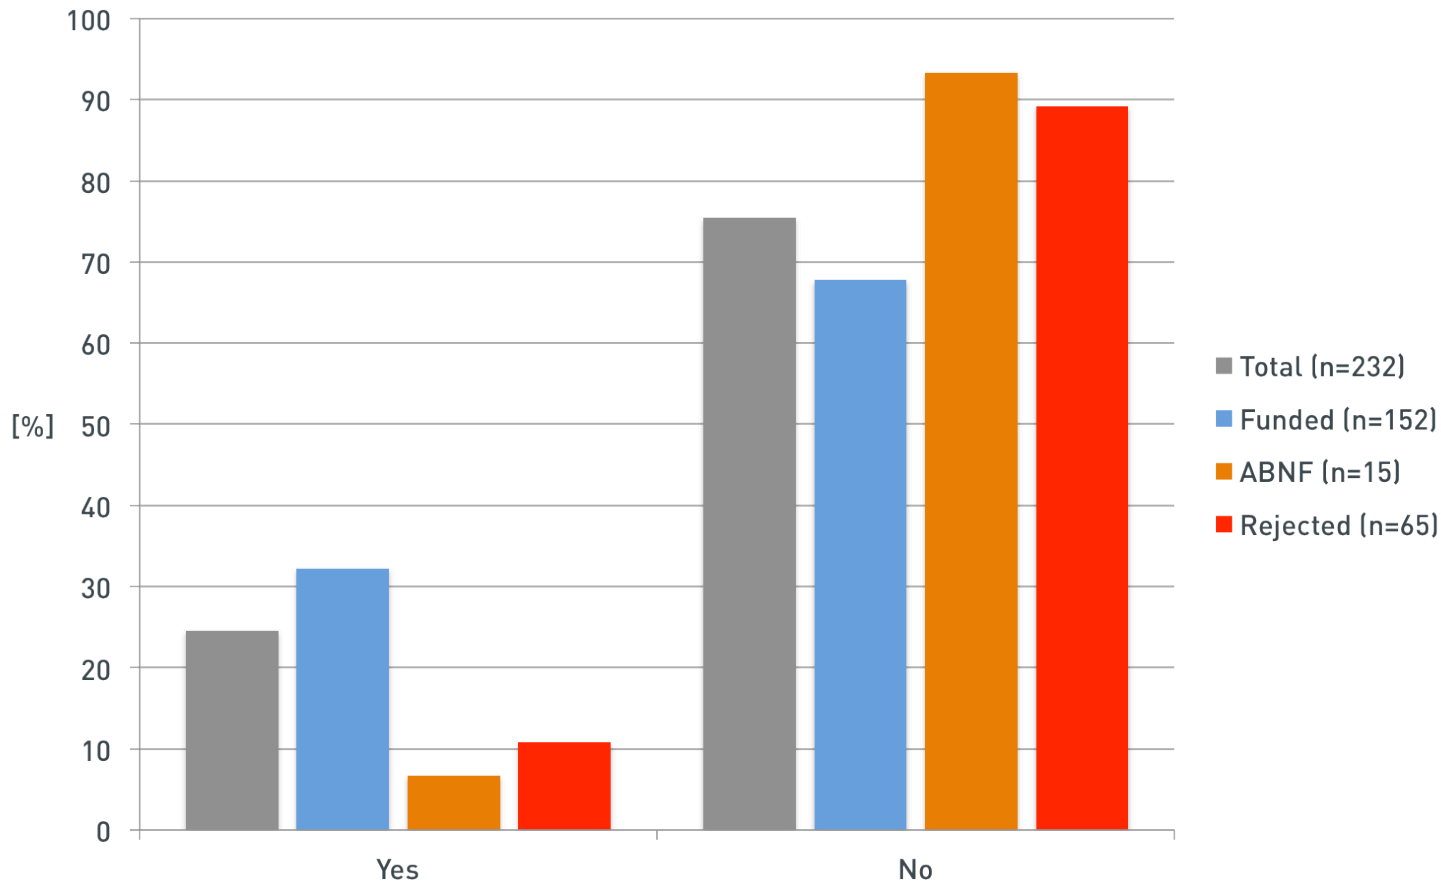

7. Cancer Research in Switzerland Research Reports

We publish the projects as well as the project results in the "Cancer Research in Switzerland" research reports. Please rate the appeal of the presentations in the research reports:

8. Fundraising

Have you ever been invited to present your project in a publication for sponsors (Aspect magazine, "High Donor" mailing, mailings, events...)?

8. Fundraising

If yes: Please rate your contact with the Swiss Cancer League regarding such a project presentation
